Credit Card Authorization Form

In an effort to better serve our clients and simplify your billing experience, our firm offers credit card acceptance. Charge card information is filed with your confidential client information and kept secure. Accounts on file can be charged either as a one-time payment on request, automatically each month upon the due date, or as a backup payment in the event of a past due balance with the firm. We appreciate your prompt payment. 3% is added to all payments made by credit card to offset the merchant fees that are charged for credit card processing.
